Sir:

Alcon, Inc. is the owner of the entire interest in the above-identified patent application ("Present Application") and copending U.S. Patent Application Serial Nos. 10/531,747, 10/694,309; and 11/836,309, ("Reference Applications"). The title history of the present Application and the copending Reference Applications is demonstrated by the attached Assignment documents and associated Notices of Recordation.

Alcon, Inc. (hereinafter referred to as "Alcon") hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the Present Application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, of any patents granted on the Reference Applications. Alcon hereby agrees that any patent so granted on the Present Application shall be enforceable only for and during such period that it, the Reference Applications, and any patents issuing therefrom are commonly owned. This agreement runs with any patent granted on the Present Application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Alcon does not disclaim the terminal part of any patent granted on the Present Application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of patents granted based on the Related Applications, as presently shortened by any terminal disclaimer, in the event that any patent based on either of the Reference Applications subsequently: (1) expires for failure to pay a maintenance fee, (2) is held unenforceable, (3) is found invalid by a court of

## ASSIGNMENT

WHEREAS I am the below named inventor of the invention entitled:

“HISTONE DEACETYLASE INHIBITORS FOR THE TREATING  
DEGENERATIVE DISEASES OF THE EYE”

and described in a United States Patent Application filed with the United States Patent and Trademark Office on April 18, 2005, and further identified by Attorney Docket No. 2395 US F; and

WHEREAS, ALCON, INC., a company organized under the laws of Switzerland and having a place of business at P. O. Box 62, Bösch 69, CH-6331 Hünenberg, Switzerland is desirous of acquiring the entire right, title and interest in and to said invention and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign and transfer to ALCON, INC., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant and render all necessary assistance in making application for and obtaining original, divisional, continuation-in-part, reexamined, reissued, or other Letters Patent of the United States or of any and all foreign countries on said invention and in enforcing any rights in action accruing as a result of such applications or patents, said assistance to include my cooperation in all prosecution associated with obtaining such applications or patents and my provision of testimony in any proceedings or transactions involving such applications or patents, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said ALCON, INC., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in said patent and the invention covered thereby.

## ASSIGNMENT

WHEREAS I am the below named inventor of the invention entitled:

### "HISTONE DEACETYLASE INHIBITORS FOR TREATING DEGENERATIVE DISEASES OF THE EYE"

and described in a United States Patent Application filed with the United States Patent and Trademark Office on August 9, 2007, and further identified by Attorney Docket No. 2395 US A; and

WHEREAS, ALCON, INC., a company organized under the laws of Switzerland and having a place of business at P. O. Box 62, Bösch 69, CH-6331 Hünenberg, Switzerland is desirous of acquiring the entire right, title and interest in and to said invention and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign and transfer to ALCON, INC., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant and render all necessary assistance in making application for and obtaining original, divisional, continuation-in-part, reexamined, reissued, or other Letters Patent of the United States or of any and all foreign countries on said invention and in enforcing any rights in action accruing as a result of such applications or patents, said assistance to include my cooperation in all prosecution associated with obtaining such applications or patents and my provision of testimony in any proceedings or transactions involving such applications or patents, it being understood that the

foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said ALCON, INC., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in said patent and the invention covered thereby.
